MONTHLY NEWSLETTER

CRDMSA UPDATES

Updates:

- We're being ghosted by our apparel supplier. While we haven't paid for anything yet, which is good, this is really frustrating. Jeff is working to track him down and figure out what's going on.
- The Cording Committee for CRDM graduation is officially kicked off! Thanks to Robin, Bryce, and Margaret for volunteering!

Things to Look Out For:

- Newsletter Announcements: It looks like important student events are not being distributed consistently like usual, so if you had something you want to celebrate and share with the CRDM community, keep an eye out for Beth's solicitation.
- Did you travel last semester and didn't have enough university funding to cover your expenses? Keep an eye out for the SA Travel Award, funded by GSA appropriations. We need to spend the \$\$ by March, so don't be shy about applying for the funds if you need it!

GSA UPDATES

- Conference & travel awards are open again from the GSA! Apply [here](#) by February 14, 2022 for funding from the GSA!
- PackPicks 2022 is a Graduate Research Showcase where students are encouraged to create an infographic poster to promote their current or past research while conducted at NC State. Submissions are due [here](#) by February 14, 2022 and winners are eligible for giftcards!

A MESSAGE FROM THE MASTER OF COIN

Hello!

The CRDM Student Association is seeking donations for our Spring Fundraiser. We raise funds in order to supplement travel costs for conferences and to provide technology assistance for student research. Our last fundraiser in the fall was a great success! Thank you to everyone who donated and volunteered.

In addition to asking for books, we're also interested in donations of CDs and DVDs. Both have been a consistent request during the fundraising sale amongst the students, and I think it'll be really cool to have these offered alongside our trusty books.

Thank you for your time and consideration! If you have any questions about where or how to donate, please don't hesitate to reach out.
